BATH CARE AND MAINTENANCE INSTRUCTIONS

How to care for your beautiful, new acrylic bath or shower & wall system

GENERAL CLEANING INSTRUCTIONS:

For normal everyday cleaning, Bath Planet suggests using our very own Eliminate. It is factory-approved distinctly for all of our acrylic products. It is available for sale from your local dealer. You may also use Formula 409 or Microban 24 Hour. The use of scouring pads or abrasive cleansers will dull the surface. Should you wish to use a product not listed below, test on a small area in the corner of the skirt before applying to the entire bathtub liner. Always review individual cleansers' instructions. Rinse thoroughly after cleaning.

RECOMMENDED CLEANERS:

BCI (Soon to be Bath Concepts) Eliminate, Microban 24, Formula 409, White vinegar and water may also be used to soften mineral deposits. Use 1/2 cup Clorox Bleach per gallon of water as a disinfectant.

DO NOT USE*:

- Original Clean Shower
- Clean Shower for Plastic Showers & Glass
- Ammonia
- Aerosols
- Acetone
- Soft Scrub
- Dawn Dish Soap
- Dow disinfectant cleaner
- Scrub Free
- Fingernail polish remover
- Scouring pads
- Lestoil
- Lysol disinfectant cleaner

Use of these chemicals will cause a dull surface and chemical cracks. This will void your product warranty.

There is no need to use abrasive cleaners. Abrasive cleaners dull the gloss over a period of years. In extreme cases where the recommended cleaners do not work, use a Chore Boy or 3M Sponge pad. Make sure you use only the ones recommended for Teflon or non-stick surfaces.

DRAIN CLEANER:

CAUTION: Liquid drain cleaners are recommended over powders and/or crystal; however, when using liquid drain cleaning agents, bail the standing water out of the bathtub and remove the drain plug. Use a funnel to prevent spills and apply the chemicals directly down the drain. Always make certain that chemicals do not come in contact with the acrylic surface.

Use drain cleaners sparingly, so that they do not boil out and attack the acrylic surface.

Note: Silicone is resistant to paint.

LIMITED LIFETIME WARRANTY

Bath Planet, LLC ("Bath Planet") manufacturer of the acrylic wall surrounds, shower floors/bases, replacement bathtubs, tub liners, shower liners and acrylic accessories (collectively referred to as "Product") warrants its Product will be free of material defects for as long as the residential Customer ("Customer") owns the home where the Bath Planet Product was installed. For commercial/non-residential Customers, the term of the warranty is five (5) years. THIS WARRANTY EXCLUDES ANY WARRANTY FOR CLAIMS RELATING TO INSTALLATION/LABOR OF BATH PLANET PRODUCTS. THIS WARRANTY IS FOR PRODUCT DEFECTS ONLY. BATH PLANET DOES NOT WARRANT ANY NON-BATH PLANET MANUFACTURED PRODUCTS SUCH AS FAUCETS, SHOWER HEADS, DOORS, GRAB RAILS, AND/OR STOPPERS.

Bath Planet warrants that the surface of the Product will not materially fade, yellow, crack, bubble, or peel under normal use and when cared for under the guidelines set forth by Bath Planet. Additional exclusions include escutcheon plates, valve handles, hand-held shower head hoses and other materials not manufactured by Bath Planet (in which case the normal manufacturer's warranty of each product applies).

Customer may transfer this warranty to a buyer of Customer's residence ("Buyer") where the Product was installed provided the Buyer completes the acquisition of the residence within 2 years after the completion of installation of the Product, and provided the warranty has not been voided under any term set forth herein. Customers may make a warranty claim in writing with the Bath Planet Dealer with which Customer originally contracted with. Upon learning of any warranty claim, Bath Planet will take steps to assess the claim, determine a course of action and effectuate repair or other remedy under the terms of this warranty for covered Products. Any warranty work is subject to then current lead times and then current product availability. Should the Bath Planet Dealer from which the customer originally contracted for service is no longer in business, or should the customer not be able to satisfactorily resolve a warranty issue with the Bath Planet Dealer, the Customer should make a warranty claim in writing with Bath Planet. The invalidity of any provision of this warranty shall not invalidate the remaining provisions of this warranty.

ANY CLAIM FILED BY THE CUSTOMER TO ENFORCE THE TERMS AND CONDITIONS OF THIS WARRANTY SHALL BE FILED IN EITHER THE STATE COURTS SITTING IN LAKE COUNTY, ILLINOIS OR THE U.S. FEDERAL COURT FOR THE NORTHERN DISTRICT OF ILLINOIS, AND THOSE COURTS HEARING DIRECT APPEALS, IN EACH CASE TO THE EXCLUSION OF ALL OTHER JURISDICTIONS.
